Area 39 Governor Sheila Vitiello, A joins Conquero

**Transfer to Orlando brings r
veteran leadership to 1066**

Not only has our club added several brand new Toastmasters to our growing roster this term, but our reputation as one of District 47's top clubs has recently attracted two experienced members from other clubs.

Four months ago **Scott Hoehn, DTM**, a 29-year Toastmaster and our current Division C Governor, took up dual membership in Conquerors 1066 and has become an active, contributing member to our great club.

Monday night, **Sheila Vitiello, ACB**, the current Area 39 Governor, joined 1066 after moving here from South Florida, adding to our club's depth in experienced leadership. Sheila is a Pageant Coach and Judge and has mentored many Miss USA and Miss America contestants over the years. She is still a paid member of clubs in Coral Springs and Ft. Lauderdale. Visit her current web site, BestArea.org, and get to know our newest member.

● **Greg checks in** – recently transferred member and past Treasurer **Greg Minor**

says hello: "I just wanted to say,"HI". I have been following you (Karl) and the rest the gang through email each week. I miss you guys dearly. Could you send my regards to my fellow Toastmasters?"

- ***Always in the running*** – Monday night saw a rare 'hat trick' during the presentation of awards as **Jackie Bick** captured Best Speaker, Most Improved, and the Bullseye award. Perhaps she was still on overdrive after competing in a half-marathon over the weekend.

- ***New club in Mt. Dora*** – visiting Toastmaster **Rachelle Lucas**, president of the new Toastmasters club in Mt. Dora, asked for volunteers to visit her club's meetings on Wednesday evenings to provide expertise and assistance. If you would like to stay overnight as part of your visit, Rachelle, who works for Tremain Street Cottages, has offered to comp your stay at their bed and breakfast! Contact Rachelle by e-mail at rachellelucas@gmail.com. A true Toastmaster, Rachelle pitched in as Grammarian at Monday's meeting.
