Subject: Conqueror Weekly - April 7, 2008 (Wow!)

April 7, 2008

Exciting things are happening with 1066's **55th Anniversary Celebration**, April 14th, at the First Presbyterian Church, 6:30 PM. Now, in addition to the celebrity roast of 52-year member and Tax Collector **Earl K. Wood**, we have secured a well-known professional keynote speaker, the inspirational and entertaining **Michael Aun**, who won the World Championship of Public Speaking in 1978. He is still an active Toastmaster in Kissimmee and will thus be able to offer a particularly personal and relevant message for Toastmasters.

Here is a link to Michael Aun's web site: <http://www.aunline.com/>

You can RSVP to kr@righter.com, or call Karl Righter at 321-356-4129. The cost of \$20 per person includes dinner and door prizes. Note that active paid members may bring their significant other to this big event with our compliments.

Here's the latest **RSVP list** so far. If your name isn't on the list and you plan to attend, please let us know:

Toastmaster Chatter

● **The one-person audience** – Monday night's meeting was a very strange event.

There were two members at the head table running the meeting, four functionaries at the back table, three speakers, three evaluators, and one member sitting in the audience. Come on, Conquerors, you can do better than that! Those members who were on the program put a lot of effort into producing a great meeting...they deserved better than a one-person cheering section. The mark of a true team player is one who shows up at a meeting

when they don't have to be there!

- ***Hat trick*** – Because of the light turnout mentioned above, our President, **Debbie Piccirello**, had to also cover for the Toastmaster of the Evening, and the Master Evaluator! She should have awarded herself the Fireball Award – she certainly earned it!

- ***You'll drink to this*** – **John Todero**, our Sergeant-at-Arms, brought a case of bottled water to the meeting for us to enjoy for the next few weeks. Be thinking about what you could bring some week to make up for the missing meal function.
