## ***Reservations pouring in for Annual Beach Party***

It's been an annual 1066 tradition for nearly 30 years, and one of only a few social events each year with our sister club, The Winter Park Toastmasters Club #3674.

It's the Annual Beach Party, the official kick-off to summer, and it's only 12 days away!

Hosted annually by **Karl Richter, DTM** at his home on Lake Orienta in Altamonte

Springs, the party features a variety of activities, including boating, jet skiing, volley ball, billiards, sun bathing, frisbee, great food, and much more! There is no

cost other than a covered dish or dessert. You may also want to bring beach towels, beach chairs or a blanket, swim suits, and the beverage of your choice.

Don't miss this annual event. Last year was a record turnout with over 90 attending.

RSVP to this e-mail and indicate what kind of snack or dessert you're bringing so we

don't end up with too many of the same dishes.

Please advise if you need a map.

**Location:** Karl Righter's  
148 Hattaway Drive  
Altamonte Springs

**RSVP:** 321-356-4129, or e-mail to karl@righter.com

**Directions:** Exit I-4 at Altamonte Springs (Hwy 436) and travel east toward the Altamonte Mall. Hattaway Drive is the second traffic light. Turn right at the Citgo

gas station. The party is seven-tenths of a mile down the street on the left side! Parking is along a cross street to the right that dead-ends into Karl's home.

Come early, or come late. Or stay the whole day and evening. Don't miss this great tradition!

## ***Toastmaster Chatter***

● **New CC** – Congratulations to **Brad Nemcik**, our newest Competent Communicator

(CC), who gave his tenth speech this past Monday evening. For his efforts, Brad was awarded the Bullseye ribbon for nailing his assignment.

● **Club 28 member visits and participates** – There is one Toastmasters club in Orlando that has been around longer than 1066, and that is The Orlando Toastmasters Club #28, the oldest TM club east of the Rocky Mountains. It was founded in 1933, 20 years before 1066, and was the club that spawned The Conquerors in 1953! Monday night, **Ben Jackson**, a relatively new member of Club 28 and a true Toastmaster, paid our club a visit and stepped up as an evaluator. Thanks Ben!

● **No whine before it rhymes** – Just when you think **Andrew Greenstein** has no more surprises in his Communication & Leadership arsenal, he outdoes himself! As Master Evaluator Monday evening, Andrew delivered his entire Meeting Critique in verse and rhyme, written during the meeting as events transpired. See what you miss when you miss a meeting?
