Subject: Conqueror Weekly - July 14, 2008 - new meeting location announced

Thanks to the efforts of Club President **Brad Satill**, we will begin meeting at the UCF Building downtown beginning next Monday, July 21st. The building is located at **36 West Pine Street** (just a few blocks away from our current location).

Why the change? Our "lease" was up and the rates were being doubled without warning. The new location has hosted the Downtown Toastmasters Club # 6084 for some time which makes this the perfect match for our own club.

Attached to this e-mail is a pdf file containing driving and parking instructions.

PLEASE allow yourself an additional 20 or so minutes when coming to the meeting for the first time to get used to your bearings, parking, etc. Dining will begin at 6:30pm and the gavel will drop sharply at 7:00pm. Thanks Brad for making this happen! See you ALL there!

Come Hungry But Be Sure You Don't Miss The FEAST!

Be SURE to contact **Food Master Sheldon Kagel** with your menu choice to ensure your hot, tasty feast arrives. At our last meeting, although 29 people were present, only SIX had the good taste (pardon the pun) to order their meal ahead of time. You can't beat the selections (Olive Garden, Dubsdread Country Club, etc) and you sure can't beat the price (a mere 9 bucks)! Contact Sheldon at this link if you have not yet made your meal choice: sheldonkagel@yahoo.com

What A Meeting!

Eight, count them...EIGHT visitors joined more than 20 members, filling the room with excitement this past Monday. Thank you Jim, Susesh, Andrea, Greg, Joanna, Alex, Daresa, & Kate for joining in the fun. Come back soon as we'd love to welcome you as new members!

CHEERS!

What are you doing after the meeting? Come join us for a glass of cheer (not the detergent) after the meeting. We call this time "**The Last Word**". Now that our meeting location has changed, so will our after-meeting watering hole. Stick around after Monday's meeting and we'll announce the new location of this fun way to relax, share ideas, and get to know each other.

Did I Really Say That?!

How many times have you given a speech and wondered if you presented it the way you intended? Although your evaluator is extremely important in giving you the feedback you need to improve, Conquerors has yet another way to relive the moment. **Make SURE your next speech is recorded** so that you can review it in its entirety and hear exactly what your audience heard and saw. Simply bring in an SD (Secure Digital) memory card and we'll gladly pop it into the club's video camera and record for you. You can purchase these cards at any Walmart, Best Buy, Office Depot, etc. Or, if you forget to bring one, you can purchase one at the Club meeting for only \$10. What a deal! What a tool for your success!
