## ***The Conqueror enters cyberspace***

Welcome to our weekly e-mail version of the storied Conqueror newsletter, which has been continuously published for 54 years. As your newly elected editor, my goal is to recap each meeting, post the latest member news, and promote forthcoming events in this weekly forum. The printed version will still be published and mailed each month to all members. I welcome your input for both versions. - Karl Righter, DTM

## ***White Elephant Sale nets \$1,298***

Who knew 1066 President Mary Fickert was such a good auctioneer? Pressed into last-minute duty December 3rd when no one else stepped forward, Mary entertained, and squeezed those in attendance out of \$324.50 as she auctioned off a variety of items donated by members at our Annual White Elephant Sale. The proceeds, which were matched by Andrew Greenstein, ATM, Bruce Gould, ATM, and Earl K. Wood, DTM, resulted in a total of \$1,298 raised for the Earl K. Wood Student Scholarship Fund. Also, with matching funds, the 50-50 raffle added an additional \$136.

The most appropriate item acquired by a member was a battery-operated coin sorter by Orange County Tax Collector Earl Wood. Who said Orange County doesn't have state-of-the-art technology! It was also great to have Barbara Bergstrom, DTM back with us after missing several meetings due to her recent hospitalization.
