6. You can’t “ding” a plastic cup.
7. The magic was gone when they stopped bringing the Cheese Cake.
8. TV Dinners are only \$3 at the grocery store.
9. No one could tell the difference between vegetarian and non-vegetarian anymore.

Conquerors Take Top Honors at Area 16 Contest.

On September 23rd, 1066’s own **Karl Righter, DTM** and **Bradley Satill, CC** competed in the Area 16 Evaluation and Humorous Speech Contest. Karl’s evaluation earned him first place honors in the Evaluation Contest. Brad gave a speech entitled “The Evolution of Dating”. Bruce Gould, ATM Gold, served as Sergeant at Arms and Brian Fuller served as Chief Judge.

Conquerors Lend a Hand at Area 47 Contest

On September 29th, a number of Conquerors helped out Area 47 Governor and fellow member of 1066, **Bruce Gould**, in putting on his Evaluation and Humorous Speech contest. **Bryan Fuller** gave the Evaluation Contestants a tough task by giving a nearly flawless test speech. October 1st saw a return to the Westin Hotel for the once-traditional **“Last Word.”** Although it was intended to bid

farewell to Past President Alan Brents, the consensus was that we should do this more often, especially now that we have shorter meetings and get out earlier. The Last Word will be periodically announced a few days before the meetings via email so that we can make this a more regular tradition once again. Mark your calendar for the next Last Word on October 22nd.
